SKILLS

- **Languages:** C++, Java, R, Python
- **Frameworks:** HTML and CSS, NumPy, Pandas, TensorFlow
- **Tools/Platforms:** MySQL, MongoDB, Tableau, Power BI, VS studio, R studio.
- **Soft Skills:** Problem-Solving Skills, Adaptability, Analytical Thinking, Logical reasoning

PROJECT

- **Interactive and Shareable Dashboard:** Nov 3, 2024 – Nov 25, 2024
Shareable Dashboards offer live, branded account reports via external links, with support for logos and custom domains.
Enhances client collaboration by providing real-time, professional insights.
Tech: Tableau Prep, Tableau Public, Excel, Kaggle.
- **Hotel Management System:** June 5, 2024 – July 31, 2024
Developed a comprehensive Hotel Management System to automate room reservations, check-ins/outs, and billing.
Integrated an intuitive UI with a robust backend to enhance efficiency and minimize manual errors.
Tech: Java programming, Java Serialization, Data Structures, Collections framework.

Summer Training

- **Coding Spoon – Practice Data Structures and Algorithms Certification Course** June 5, 2024 – July 31, 2024
- **Summer Training Intern**
 - Completed a summer training internship on Practice in Data Structures and Algorithms with the support of Lovely Professional University and Coding Spoon.
 - Covered key concepts such as linked lists, trees, graphs and dynamic programming.
 - Designed and implemented a basic Hotel Management System as a capstone project.
 - Tech: Java · Data Structures · Algorithms · Object-Oriented Programming.

CERTIFICATES

- Cloud Computing – IIT Kharagpur. December 2024
- Data Analysis Using Tableau – Coursera. December 2024
- Data Structure & Algorithms – Practice (Java) by Coding Spoons. July 2024

ACHIEVEMENTS

- **Inter hostel Tug of War Champion:**
Led the hostel team to victory as the Tug of War Champion, demonstrating strength, strategy, and team coordination
- **Club Volunteer:**
Anicos Club
Contributed to language learning and cultural exchange initiatives within the campus community.
Organized and promoted language workshops and cultural exchange events, increasing event participation by 30%.

EDUCATION

- **Lovely Professional University** Jalandhar, Punjab
Since August 2022
 - *Bachelor of Technology - Computer Science and Engineering; CGPA: 7.30*
- **Dharam Public School** Palwal, Haryana
April 2020 - March 2022
 - *Intermediate; Percentage: 76.4%*
- **Dharam Public School** Palwal, Haryana
April 2019 - March 2020
 - *Matriculation; Percentage: 88.2%*
